PROFESSIONAL SUMMARY

As a recent graduate with a degree in Computer Science, I am eager to launch my career as a Software Engineer. My academic background, combined with hands-on experience through internships and personal projects, has equipped me with a solid foundation in software development. I am passionate about learning and staying updated with the latest industry trends. My ability to adapt quickly and work effectively in team environments has been demonstrated through collaborative projects and internships. I am driven by the opportunity to contribute to innovative solutions and am committed to delivering high-quality results.
